**A Happy Valentine's Wish from the Southern Nevada Health District**

**LAS VEGAS** - Roses are red, violets are blue. Be healthy and safe, in all that you do!

The Southern Nevada Health District is sending a special Valentine's wish to the community via its special holiday website: [www.SNHD.info](http://www.SNHD.info). The website includes a Valentine's Day checklist to help ensure your romantic plans are safe, healthy and fun. The health district is also taking this opportunity to highlight some of its programs and services (such as restaurant inspections and STD clinics), which may not lend themselves to the most romantic conversations, but can keep you from having some awkward ones in the future.
