---

**Information for Proposers**

The following information is provided to answer questions raised by potential proposers.  
This Addendum #A06 contains one page in total.

1. Will the SNHD agree to be responsible for the risk of loss for the equipment once accepted, including providing proof of insurance? **Yes.**
2. What are the typical terms defining your acceptance of goods? Proof of delivery, Acceptance Certificates? **Upon delivery, the lessee shall inspect the equipment and, if the lessee determines it its sole discretion that the equipment functions properly, the lessee shall execute an acceptance certificate.**
3. What type of binding is needed? **Comb.**
4. Requirements were changed to 55ppm on Multifunction specifications in Addendum 1, yet the addendum answers say 55ppm B&W and 40ppm color for Multifunction devices (As per A01 #23c). Is a 40ppm Multifunction color device allowed?? **40 ppm multifunction color device minimum pertains to the scenario described in Item #23 only.**
5. You require a booklet finisher system on the Print Shop equipment, is your intention saddle stitch or are you requiring a Plockmatic production system? **Saddle stitch.**
